

# From One End of the Earth to the Other!

Spring has sprung! Spend some time (safely) outdoors this week. Take a look below and find the coolest version of each thing on the list that you can find. Snap a photo and send it to [kids@heartlandalliance.ca](mailto:kids@heartlandalliance.ca).

For example, the list says “rock”, maybe there is a rock large enough for your whole family to fit on or one that has different coloured stripes in it! Show us God’s power “from one end of the Earth to the other” just like our BMV says in Acts 1:8.
