2 Timothy 3:16 (ICB)

All Scripture is inspired by God and is useful for teaching and for showing people what is wrong in their lives. It is useful for correcting faults and teaching how to live right.

Inspiration

- This means that the Bible was written by many people, but that the Holy Spirit told them what to write!

Illumination

- This is like turning on a light! It is letting the Holy Spirit show us the things that we need to know! We should always let Him show us the things that we need to know.

Conviction

- This is a feeling that the Holy Spirit gives us that we need to do something for Him, or that we should make one decision over another!

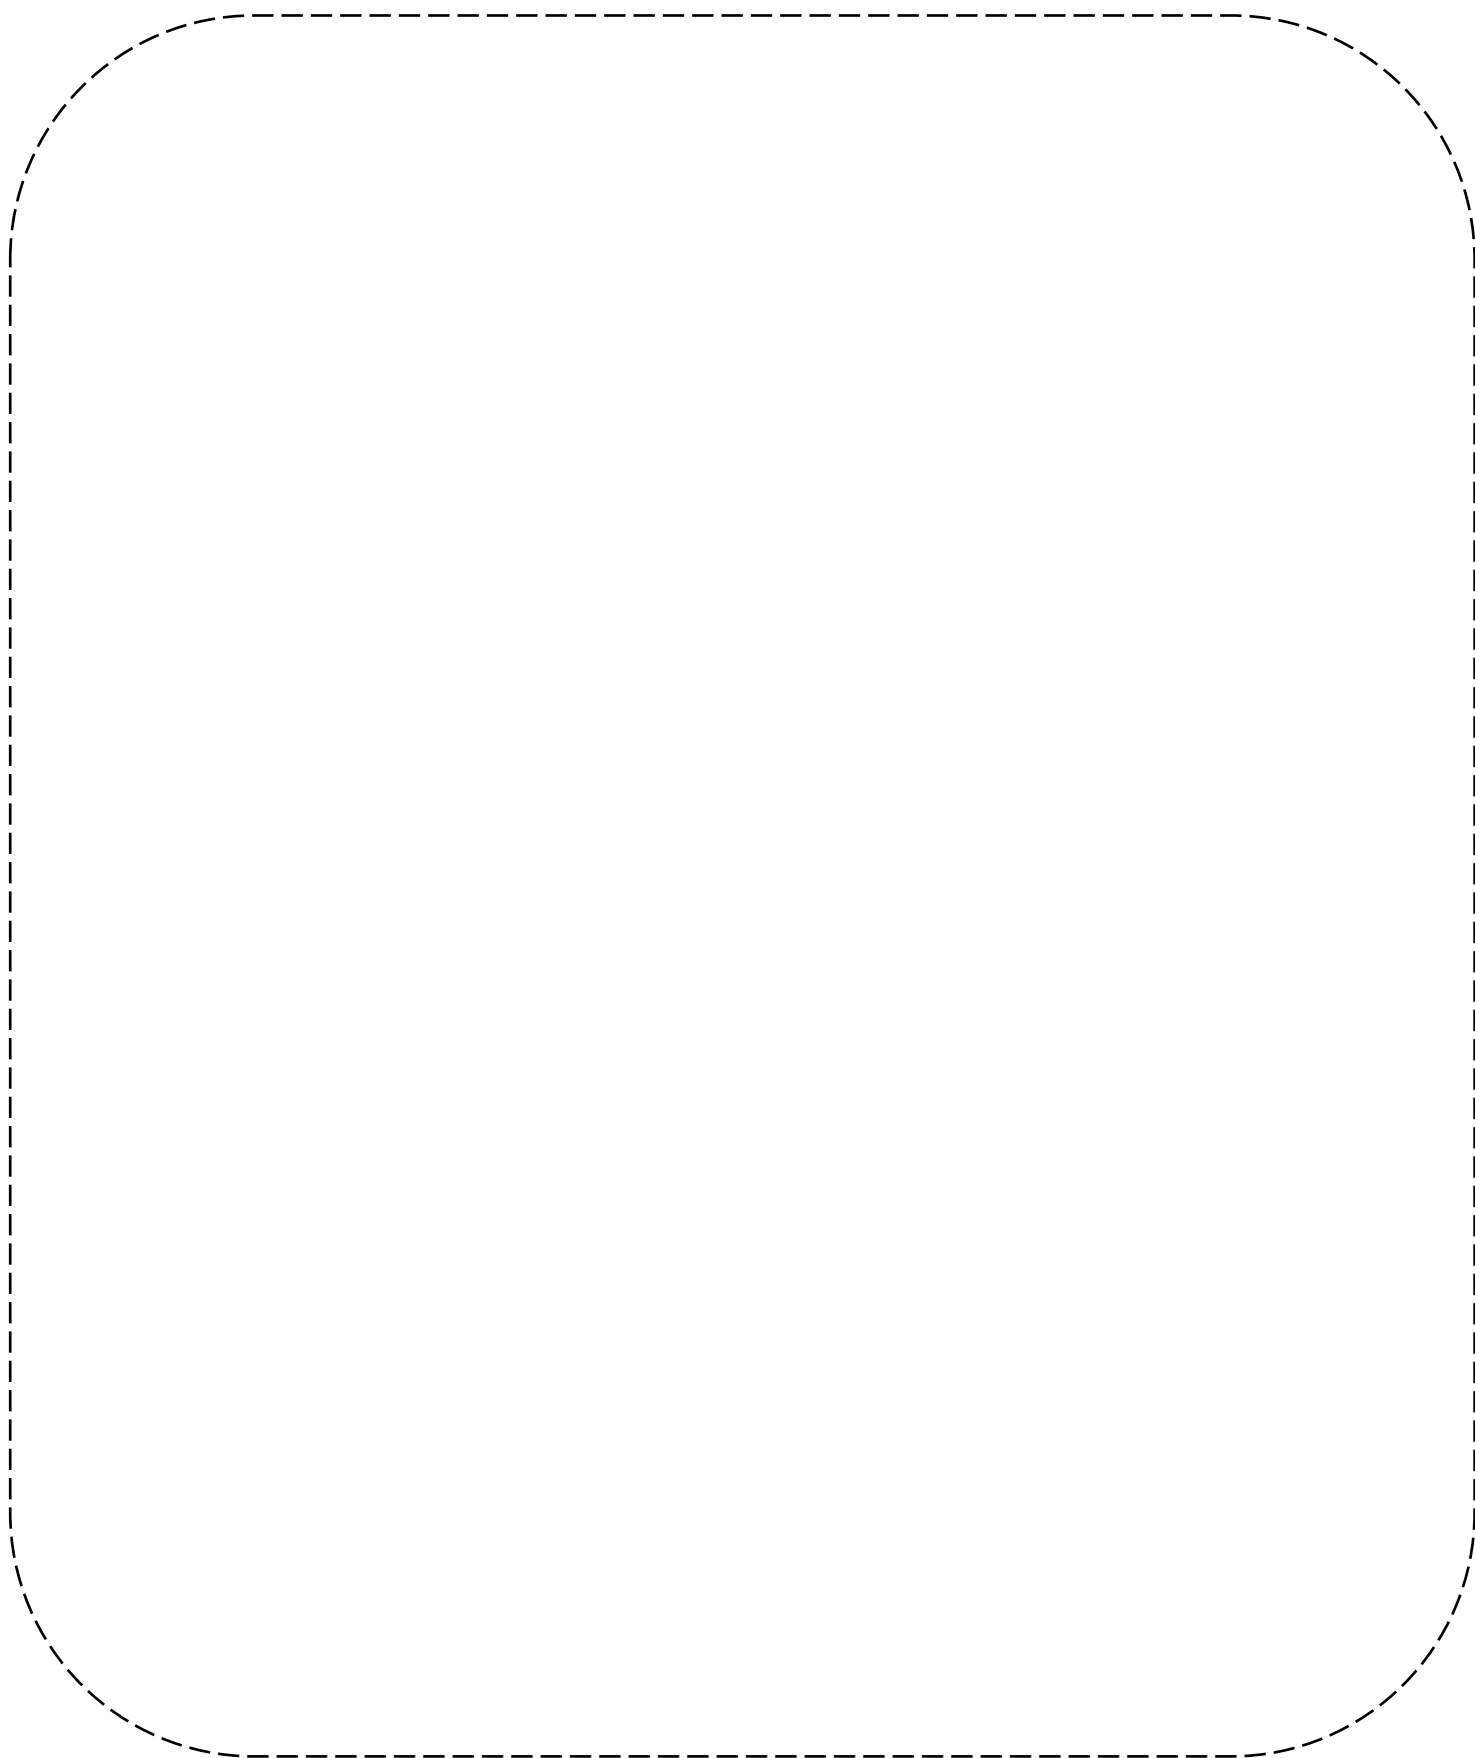

Some questions to discuss as a family:

How can you love God more in your life?

How can you let the Holy Spirit show you what you need to do in your life?

What can you do as a family to grow closer to the Holy Spirit?

DRAW A PICTURE OF WHAT YOU LEARNED TODAY

Family Challenge!

This week, we would love to see you all take the time to pray and to talk to the Holy Spirit as a family!

Through the week, take five to ten minutes each day to have different members of your family lead a prayer, asking for more of the Holy Spirit in your home.

Below are some examples of specific things that you can have your family pray about throughout the week:

1. That the Holy Spirit will help you make the right decisions.
2. That He will help you love one another more.
3. That He will speak to you clearly.
4. That He will keep your family safe and healthy.

Feel free to add your own prayer prompts as well! We would just like to encourage you all to spend more time in prayer as a family throughout this time when we are all spending more and more time together!
