

How to Pray for Heartland

Thank you for taking the time to pray and to seek the Lord on behalf of our church. This document is a general guide to help you pray for the church. Please share anything that you sense the Lord is giving to you. You can send it to prayer@heartlandalliance.ca

Let us know if you have any questions. God bless you!

1. **Get Ready:** Set a quiet time and space. Grab your Bible and a journal. Take the list of Heartland ministries attached to this page.
2. **Be grateful:** Take time to be grateful. We can connect more deeply to the Lord when we start with gratitude. Thank Him for who He is, what He is doing, for our church, for the different ministries. Spend a few moments and write down anything for which you are grateful.
3. **Ask for Scripture:** Ask the Holy Spirit for a Scripture passage to pray over the different areas of the church. He may give you one Scripture to pray over the whole church or different Scriptures to pray for different areas. For example: I ask the Holy Spirit to give me a verse to pray and I sense that He gives me John 14:12, "Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these because I am going to the Father."

Then ask the Holy Spirit to show you how He wants you to pray this verse and for whom. It could be something like: "Lord God, thank You for our Refuge Youth ministry. I ask that You move mightily through Pastor Wade and his team. Holy Spirit please open them to know that You are with them and want to do mighty things in them and through them."

4. **Pray through** as much or as little as you can during a certain time. Ask the Holy Spirit to keep the ministries of the church on your heart throughout the day. Say a quick prayer for any areas that the Lord puts on your heart.
