John 15:10 (ICB)

“I told you these things so that you can have peace in me. In this world you will have trouble. But be brave! I have defeated the world!”

The Source of hatred and persecution.

- Because Satan hates God and we have God living in us, Satan hates us, and he will do all that he can to show us that.

Past and present reality.

- In the Bible times, there were people who hated the church, and people who wanted to do everything that they could to hurt the church. Today, we have people who want to do the exact same thing!

The Holy Spirit comes to help.

- Even though we have so many people who want to hurt us and the church, the Holy Spirit wants to help us get through that! He will help us know what to say and do when people say bad things and try to hurt us or try to do bad things to the church!

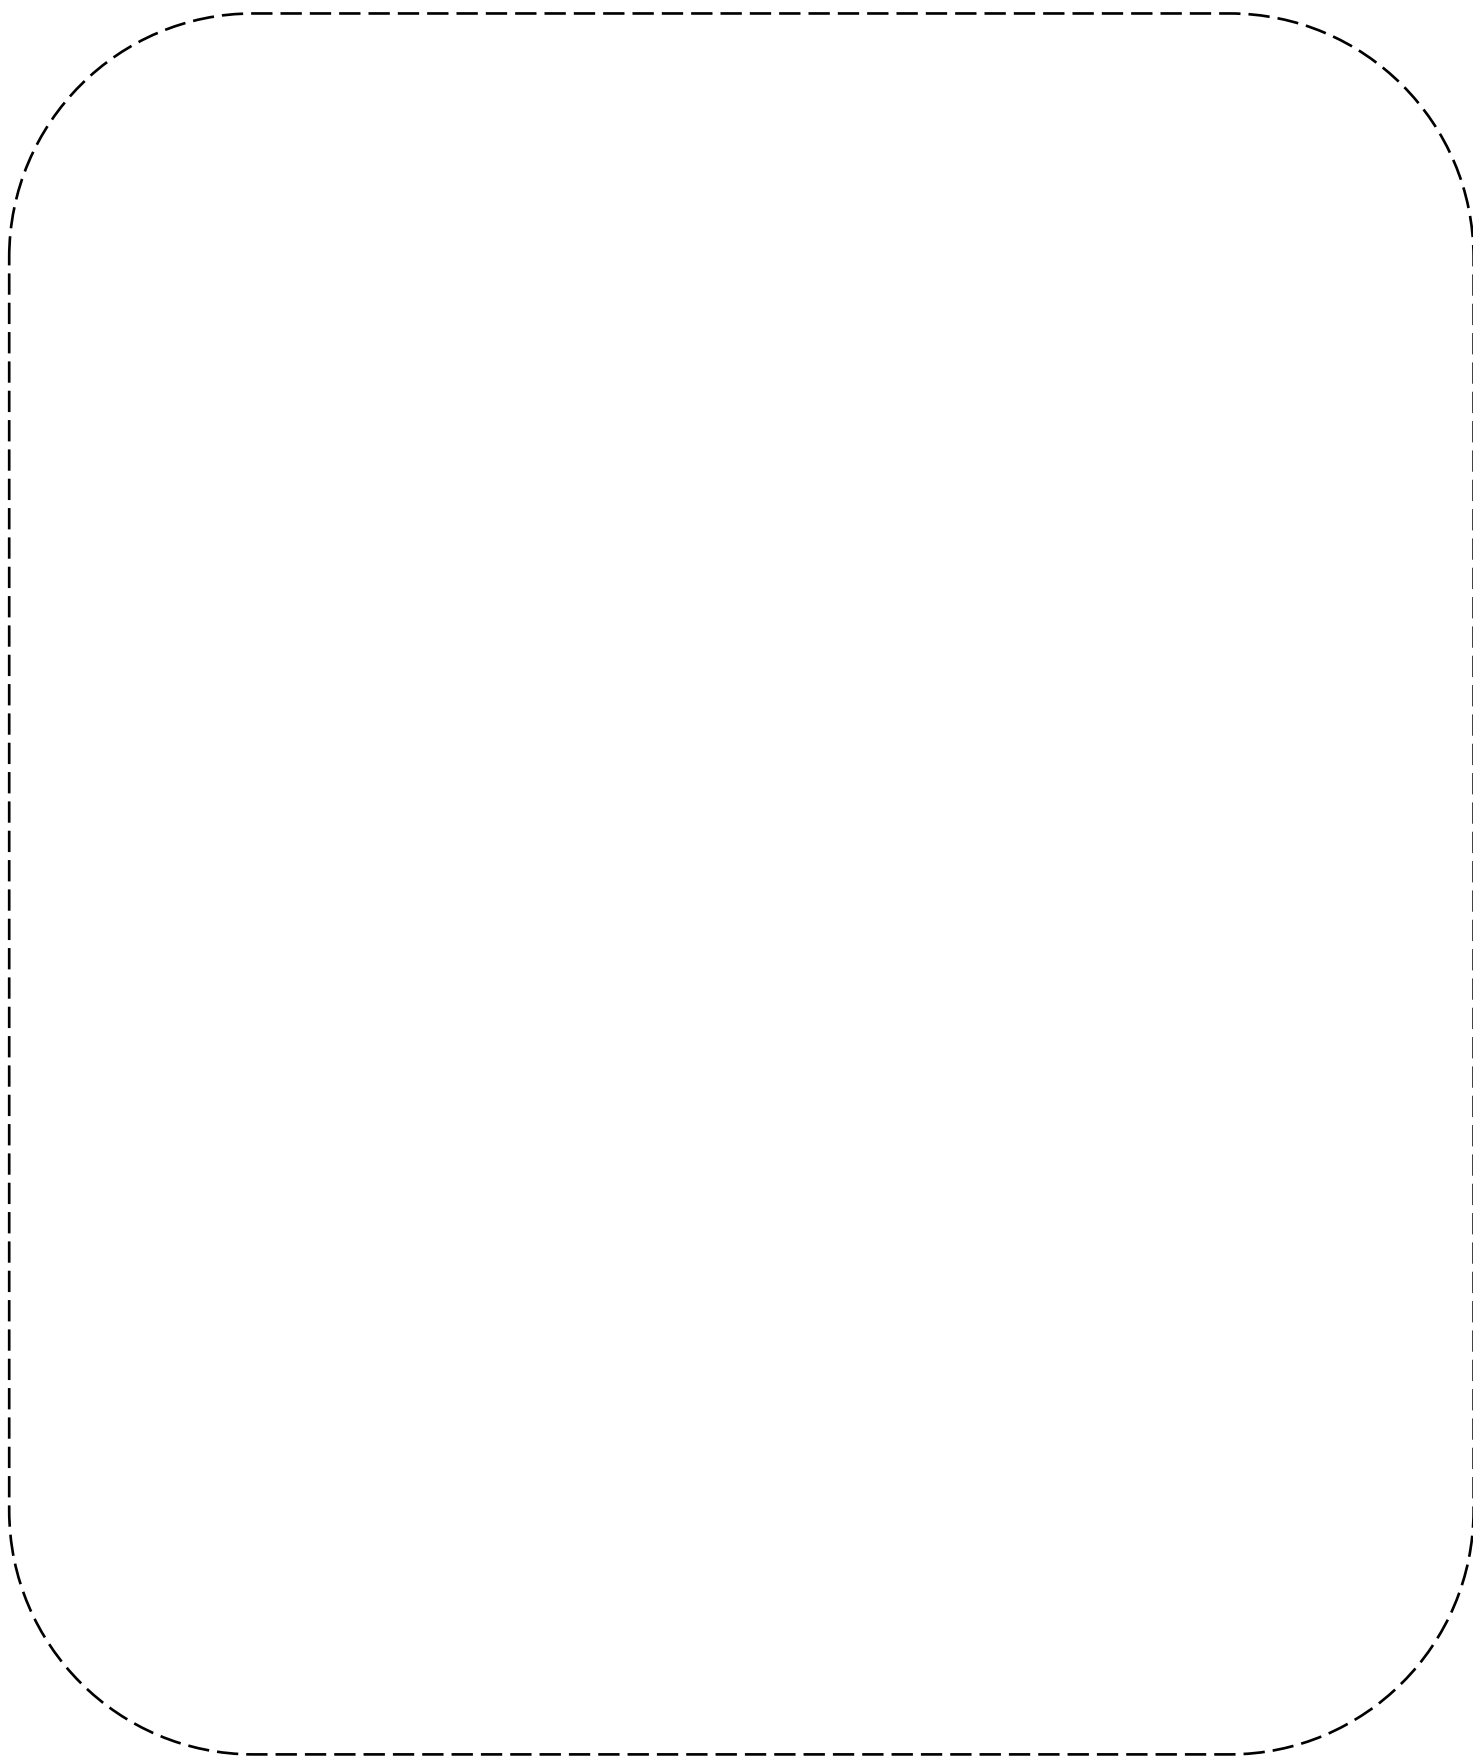

Some questions to discuss as a family:

What kinds of bad things can people do to the church?

What kinds of bad things can people do to me because I love God?

How can we ask the Holy Spirit to help us get through these things?

Family Challenge!

This week, take the time to call a friend or a family member with whom you have not spoken in a while! While talking to this person, ask them how you can pray for them! If you can, even offer to pray for them while you are speaking with them on the phone!
