

Copycat Colouring

James 2:1 tells us to “treat everyone the same”. In the spirit of that, we want you to colour in the blank fish below to match the coloured one. Use whatever you would like – markers, pencil crayons, etc. – and copy the fish!

You can send it your finished fish to kids@heartlandalliance.ca.

My brothers and sisters, you are believers in our glorious Lord Jesus Christ. So treat everyone the same. James 2:1
