1 Peter 4:8 (ICB)

Most importantly, love each other deeply. Love has a way of not looking at others' sins.

Sadducees

- They said that people had to follow every single one of the things that the Bible teaches, and if they don't, they can't possibly be loved by God!

Pharisees

- They thought that the laws in the Bible were important too, but they made new laws too that would keep people from coming anywhere close to breaking the laws in the Bible! Their laws were very strict!

Love One Another

- One thing that they may have forgotten in the laws that each group of people made was that they had to have love for one another! They shouldn't be so focused on their laws and making sure that everyone does everything that they do in a very specific way, but they should focus on loving one another the way that God would want them to!

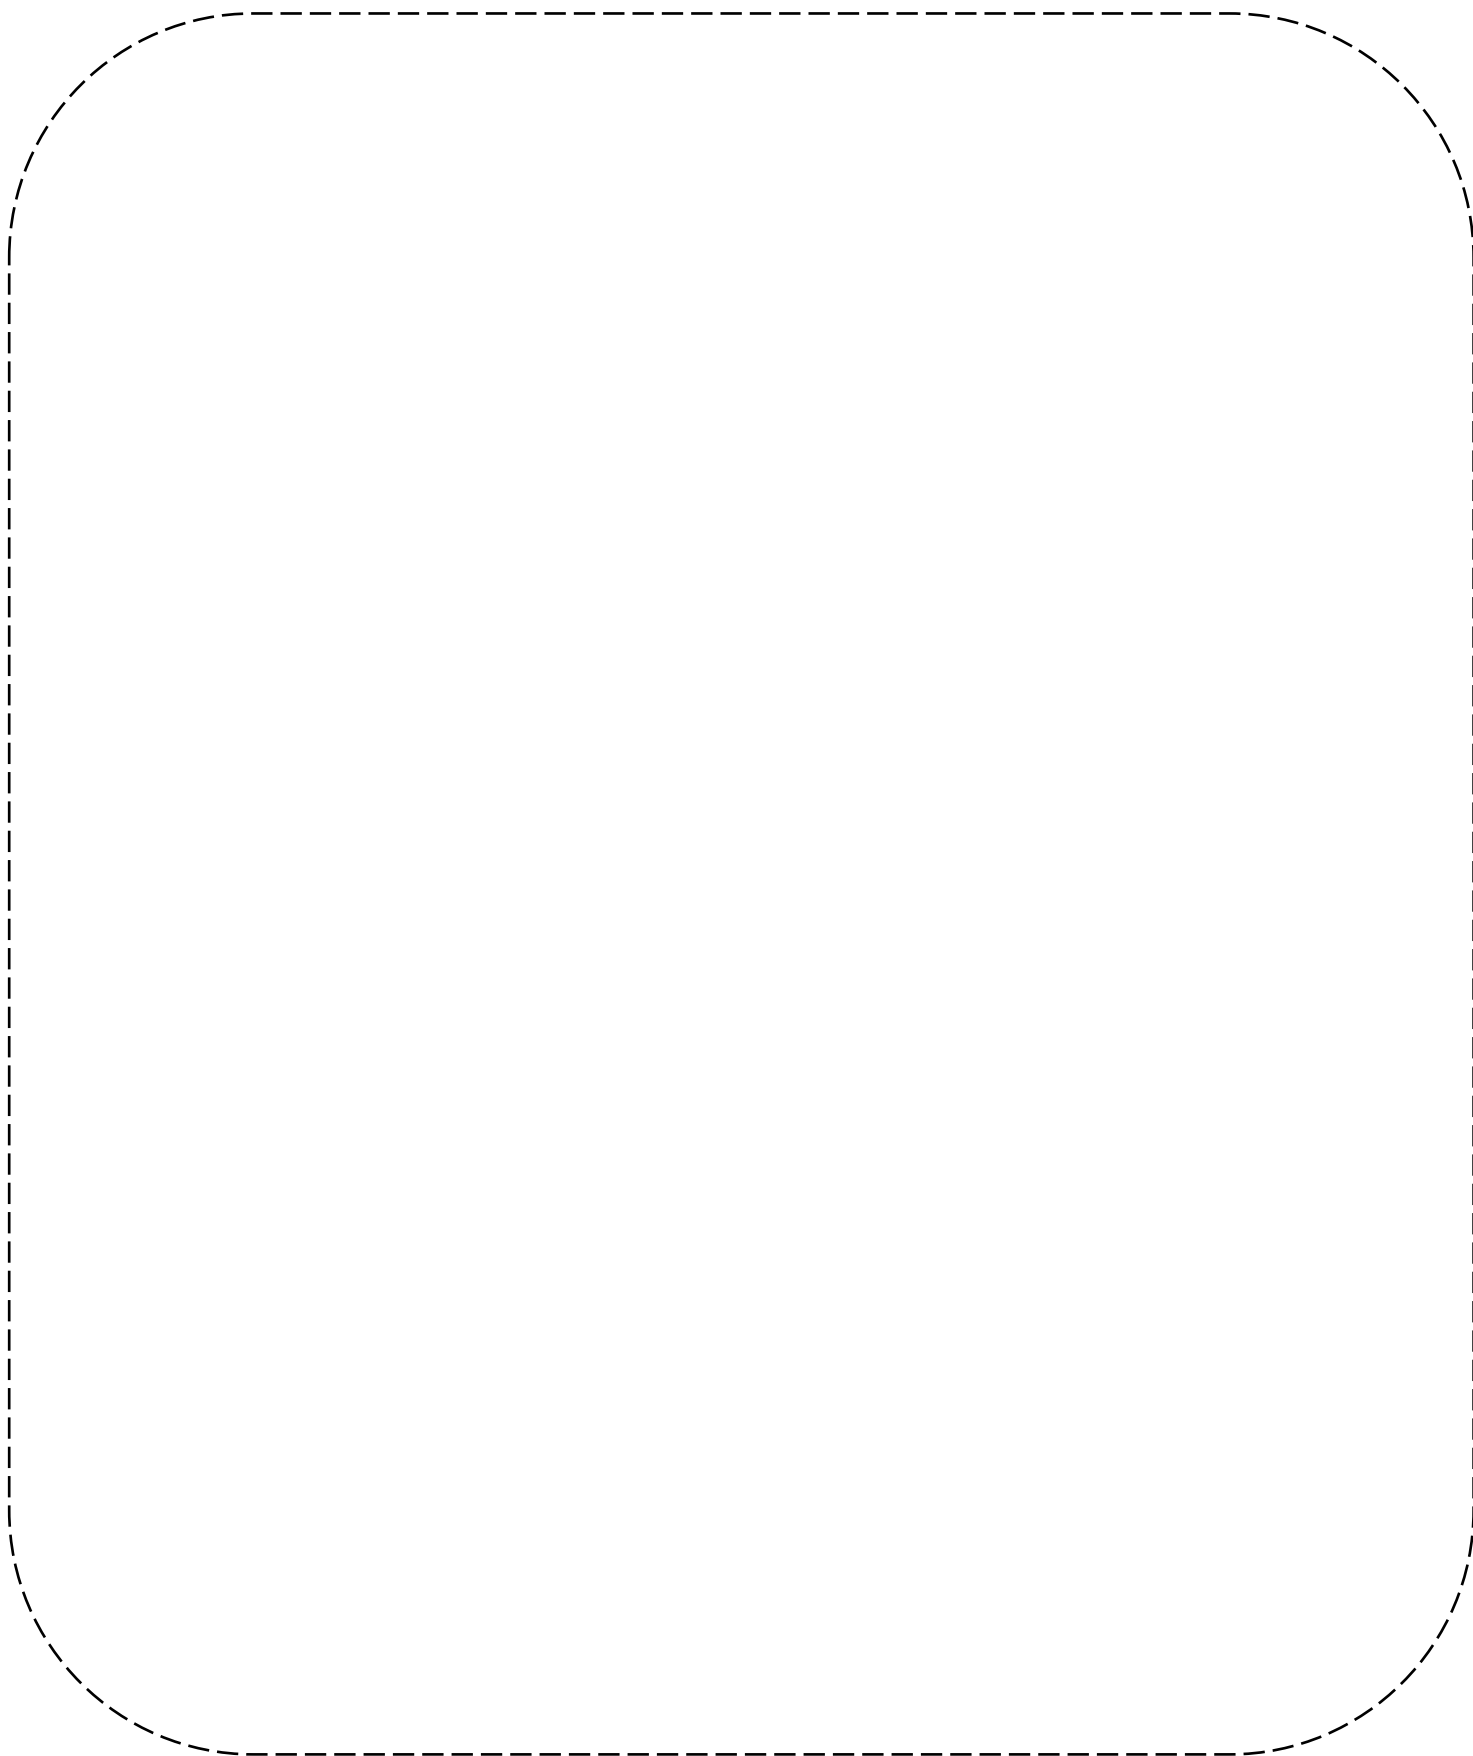

Some questions to discuss as a family:

How can you love other people more this week?

How can we show other people God's love for them this week?

What can the Holy Spirit do to help us love other people?

DRAW A PICTURE OF WHAT YOU LEARNED TODAY

Family Challenge!

Take some time this week to ask the Holy Spirit to help you become more like Jesus! Ask Him to help you love other people better, and to show the love that Jesus had for people to everyone you meet throughout the week, and even throughout the rest of your lives! Showing the love of Jesus is such a powerful way to show others that He is real and that He wants to love them!
