July 18-19, 2020

Isaiah 41:10 (ICB)

So don't worry, because I am with you. Don't be afraid, because I am your God. I will make you strong and will help you. I will support you with my right hand that saves you.

Acknowledge the truth of our situation

- Sometimes, things aren't going as well as we would like in our lives, or we think that things should be better when we are trusting God. Even when we trust God, some things aren't going to always be good! But this is okay, as long as we can accept that truth!

Humble ourselves before God

- God is so much bigger and more powerful than we are, and more than we could ever be! It is so important that when we are in situations that are difficult, we give them to God. We understand and say that God is much more powerful than us, and that He has our best in mind!

Move forward in confidence

- We will not always get help with our situation immediately from God. God has many things in mind for us, some of which we will not know for a long time! Sometimes we have to move from things that are bothering us to knowing that even though God didn't do anything that we can see, He is still God, and He is still doing so much to help us!

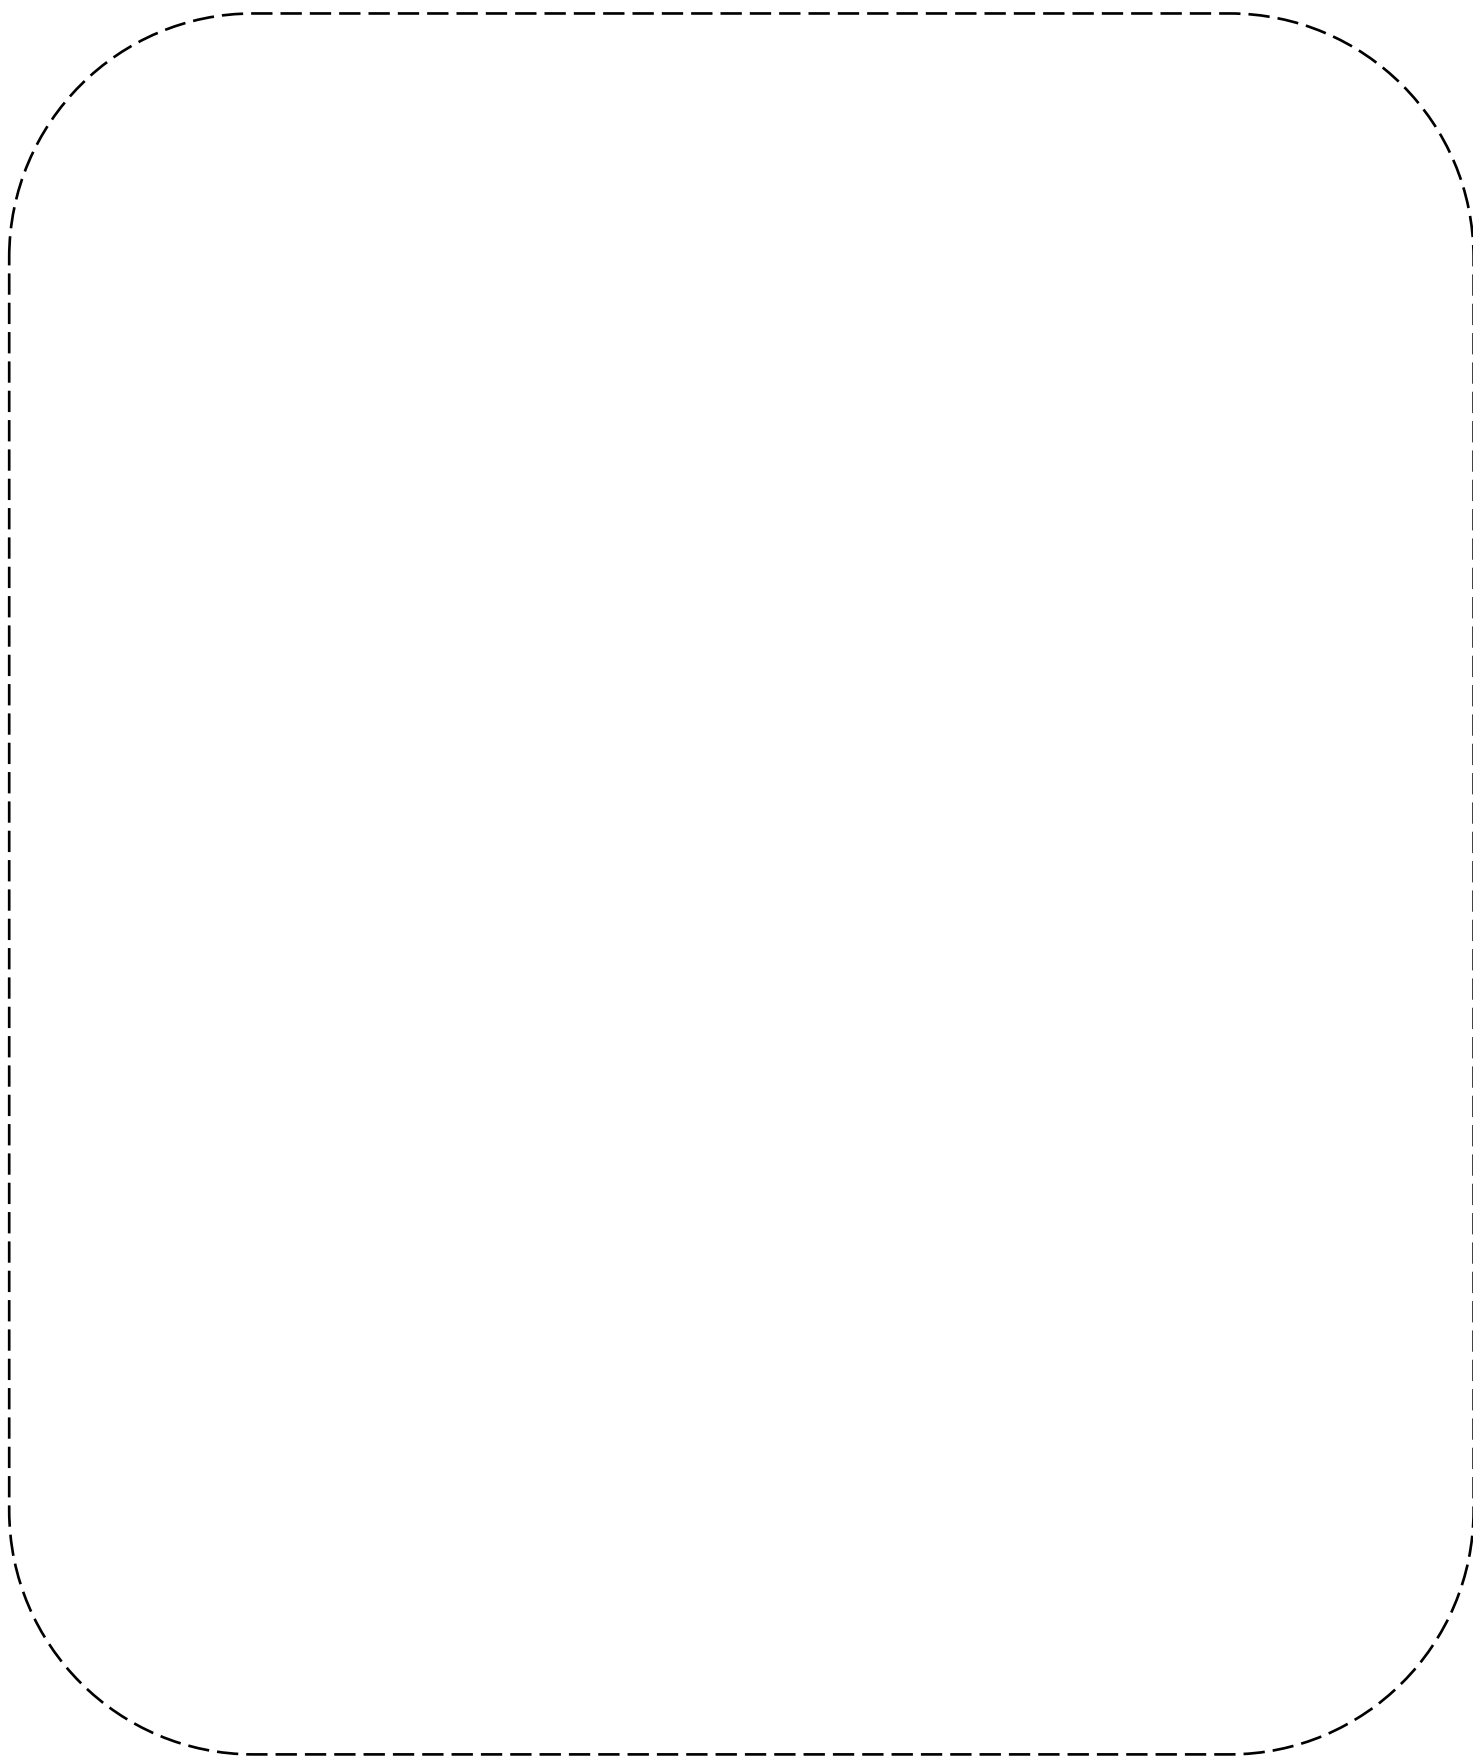

Some questions to discuss as a family:

Are there things or situations in your life that you need to give to God?

How can you trust God in the difficult times?

What can you do when things are difficult so that God can help you through them?

DRAW A PICTURE OF WHAT YOU LEARNED TODAY

Family Challenge!

This week, take some time to pray. There may not be anything bad or difficult going on in your life right now, however, we know there may be some hard times coming. It is so important to always be ready for these things, and to always pray that God would help you through anything and everything that you go through. As you pray this week, be sure to ask God to help you deal with any situations that happen in your life which will be too hard for you to face on your own.
