

# Super Prayer!

Did you know you're a superhero? Our Bible Memory Verse this week talks about the power of prayer; it says it can make things happen. Your challenge is to look around your house for materials to make your own superhero costume based on the power of prayer! Be creative and show us your prayerful superhero costume at [kids@heartlandalliance.ca](mailto:kids@heartlandalliance.ca).

*So confess your sins to one another. Pray for one another so that you might be healed. The prayer of a godly person is powerful. Things happen because of it.*  
James 5:16
