Ask an Elder

Our Bible verse this week says to, “Ask your elders.” So that is your challenge! In the spaces below, write out the answers your “elder” gives for the questions listed. An elder in this case can be anyone older than you that you trust – like a parent, guardian or even older sibling!

Remember the days of long ago.
Think about what the Lord did through those many years.
Ask your father. He will tell you.
Ask your elders. They’ll explain it to you.
Deuteronomy 32:7
