

Ask an Elder

Our Bible verse this week says to, “Ask your elders.” So that is your challenge! In the space below, write out the answer your “elder” has for question one. Then try and come up with two more questions you could ask your “elder” about the Bible and write them below. An elder in this case can be anyone older than you that you trust – like a parent, guardian or even older sibling!

Remember the days of long ago.

Think about what the Lord did through those many years.

Ask your father. He will tell you.

Ask your elders. They’ll explain it to you.

Deuteronomy 32:7
