

The 5 Finger Prayer

Thumb - Those closest to you and your family.

Pointer - The people that point you in the right direction (teachers, pastors) pray for wisdom and support.

Index - The tallest finger. Those that lead (government) ask for wisdom and guidance.

Ring - People who are weak, in pain or hurting. You can't pray for them too much!

Pinkie - The smallest finger.
Pray for yourself, your own needs.
