GROUP ACTIVITY

This activity can be used in a small group at church or even with your kids at home!

Bible Memory Build Up

Say: This week's Bible story was all about how Solomon built a Temple for God. But, as we learned, God doesn't live in the Temple anymore. He lives inside of His people. That means you and me! We are like stones in the Temple. Alone, we're no Temple! But together God can build us into something incredible. So, we're going to do a little bit of our own building. We're going to build up our understanding of the Bible by memorizing what God has told us!

Directions: Practice reciting the verse with you group, but each time use a different voice/accent or try a different challenge.

Older Kids:

"And because you belong to him, you too are being built together. You are being made into a house where God lives through his Spirit." Ephesians 2:22

Younger Kids:

"You are being made into a house where God lives through his Spirit." Ephesians 2:22

Question: How can we be built together as a group? In other words, what can we do to make this group even stronger?
